Mailing List / Newsletter

Join our mailing list to receive information about store opening and closing dates, new products, sales, and other news of general interest. I do my best to send out a half-assed newsletter four times a year. During the busier times of the year, I sometimes also send several small updates over the course of a month. In total, it probably averages out to less than 15 emails each year. Emails come from newsletter@cultivariable.com, so make sure that address is not caught by your spam filter.
